

## CONTINUOUS FEED FOOD PROCESSOR W/3 DISCS

FP-400

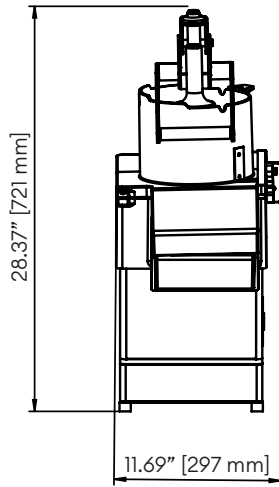

Polaris FP-400 Continuous Feed Food Processor is your kitchen's new powerhouse for effortless food preparation. Slice, dice, grate, and shred with precision using this versatile appliance.

### Key Features:

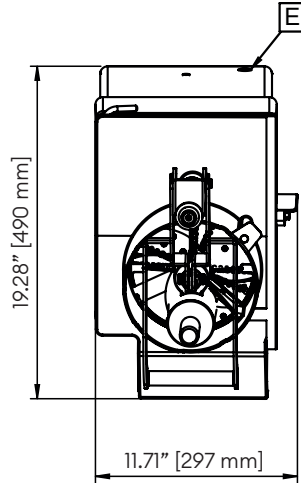

- Continuous Feed Design: No interruptions - process without stopping, saving you time and effort.
- Versatile Discs Included: 2mm-8mm adjustable slicing disc, 5mm grating disc, and 7mm grating disc.
- Adjustable Slicing Disc: 2mm-8mm adjustable slicing disc - the game-changer that eliminates the need to purchase multiple slicing discs like competitors. Enjoy flexibility without clutter.
- Stainless Steel Blades: Durable and sharp for precise cutting, easily removable for quick cleaning.
- Stainless Steel Body: Robust construction that adds a touch of sophistication to your kitchen.
- Safety Sensor: Prioritizing your well-being during operation.
- High Production Capacity: 880 lb/hr production capacity, perfect for both small and large-scale food preparation.
- Optional Discs Available: Customize your food processor with optional FP-F67 French Fry Set, FP-F811 Dicing Kit (10mm x 10mm), and Polaris FP-F912 Dicing Kit (20mm x 20mm).
- Upgrade your kitchen experience with the Polaris FP-400 - efficient, durable, and ready to tackle any culinary task.
- One-year limited parts & labor warranty (USA & Canada only).
